servizio al cliente
customer care

Mundial Alfredo Casartellli srl produce e distribuisce utensili a mano professionali.

Qualità, design, innovazione e competitività sono caratteristiche che dal 1929 accompagnano i prodotti Mundial sul mercato nazionale ed internazionale.

Mundial offre una gamma completa di utensili professionali: giraviti, pinze, chiavi, chiavi a bussola, scalpelli, martelli, carrelli portautensili... tutti prodotti con materiali selezionati e con le tecnologie più innovative frutto dell' esperienza acquisita in oltre 70 anni d'attività.

La gamma Mundial si rivolge ai professionisti dei settori utensileria, industria, autoriparazione, elettrico, idraulica, edilizia... garantendo alti standard qualitativi.
Il continuo impegno aziendale è rivolto al miglioramento dei materiali alla realizzazione di nuovi prodotti e allo sviluppo di nuove impugnature ergonomiche. Mundial supporta la distribuzione con espositori specifici per categoria di utensili e propone l'intera gamma anche in confezione self-service appendibile per la vendita a libero servizio.

Mundial attualmente si propone sul mercato come un'azienda di grande tradizione ma moderna ed in continuo rinnovamento per dare sempre un servizio completo e costante alla clientela.

Mundial Alfredo Casartelli s.r.l. is a manufacturer and distributor of professional hand tools.

Since 1929, quality, design, innovation and competitiveness are Mundial's leading features, both on national and international markets.

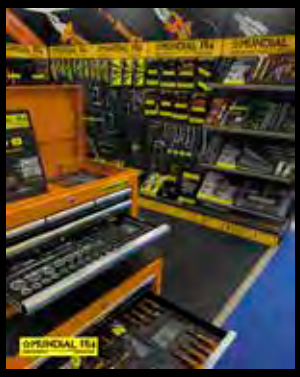

The firm offers a full-spectrum range of professional tools: screwdrivers, pliers, wrenches, sockets, chisels, trolleys… all made of selected materials and employing the most innovative technologies developed over a more than 70 year-long activity.

Mundial range addresses professional workers in the fields of hardware tools, industry, automotive, electric, hydraulics, building, always providing high quality standards.
Mundial's ongoing engagement is focused on material improvement and new products manufacturing, not to mention developing new ergonomic handles.
Category-based displayers underlie Mundial's distribution; moreover, hanging self-service packaging are available with the whole range of products, focusing on self-service sellings.

Nowadays, Mundial's image on the market represents its great tradition along with modernity and an ongoing renewal to offer customers a complete and steadfast service.

CERTIFICAZIONI
CERTIFICATIONS

UTENSILI ISOLATI - VDE - 1000 Volt

TEST DI SICUREZZA: utensili testati singolarmente a 10.000 volt per lavorare su impianti da 1.000 volt.
Nonostante i rigorosi controlli durante la produzione, l'operatore deve sempre accertarsi, prima dell'utilizzo, che l'impugnatura isolante non sia compromessa da deterioramenti, agenti chimici, lacerazioni…

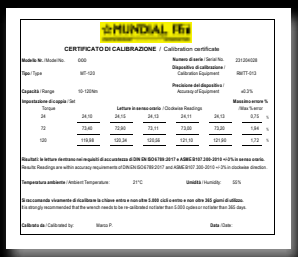

INSULATED TOOLS - VDE - 1000 Volt

SAFETY TEST: Tools are individually tested at 10,000 volt for use on 1,000 volt systems. Despite strict quality controls during production, the operator must always ensure before use that the insulating handle is not compromised by deterioration, chemical agents, lacerations…

CERTIFICATI DI CALIBRAZIONE

Ogni chiave dinamometrica della nostra gamma viene certificata singolarmente secondo i più rigorosi standard di controllo qualità. Ogni strumento è accompagnato da un certificato individuale di taratura, che ne attesta l'affidabilità, la precisione e la conformità alle normative internazionali. La validità della taratura parte dalla data di vendita all'utilizzatore. La frequenza di taratura raccomandata hai sensi della Norma ISO 6789 è di un anno o 5000 cicli di utilizzo. Un impegno concreto per offrire al professionista strumenti su cui poter contare, sempre.

CALIBRATION CERTIFICATES

Each torque wrench in our range is individually certified according to the strictest quality control standards. Every tool comes with its own individual calibration certificate, verifying its reliability, accuracy, and compliance with international regulations. The calibration is valid from the date of sale to the user. The recommended calibration frequency according to ISO 6789 is 1 year or 5000 use cycles.
A concrete commitment to provide professionals with tools they can always rely on.

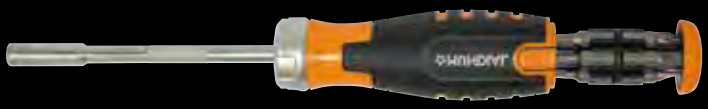

GARANZIA
WARRANTY

Tutti i prodotti Mundial sono coperti da una garanzia completa contro difetti di fabbrica, compresi eventuali problemi nei materiali o nella lavorazione, purché utilizzati correttamente per l'uso previsto e tenendo conto del normale deterioramento dovuto all'usura.
In caso di difetti, gli utensili saranno sostituiti gratuitamente. Il cliente è tenuto a conservarli oppure a restituirli per un'eventuale ispezione presso la nostra sede, qualora venga richiesto.
Questa garanzia a vita non copre i danni derivanti da uso improprio, modifiche non autorizzate e manomissioni. Gli utensili dinamometrici hanno garanzia di un anno.

All Mundial products are covered by a full warranty against manufacturing defects, including issues related to materials or workmanship, provided they are used correctly for their intended purpose and with consideration for normal wear and tear.
In the event of a defect, the tools will be replaced free of charge. Customers are required to retain the product or return it for inspection at our headquarters if requested.
This lifetime warranty does not cover damage resulting from improper use, unauthorized modifications, manipulation or forced alteration. Torque tools have a one-year warranty.
